

Dear Students and Parents:

In an effort to help our students improve their college entrance exam scores, Birdville ISD is pleased to be offering two intensive seven-hour boot camps hosted by *Test Prep Seminars*, a nationally renowned test preparation provider. These workshops are designed to give your son or daughter effective **test-taking** and **time-management strategies** that can help them realize a **significant increase** in their entrance exam scores. If you son or daughter is planning to take the SAT or ACT for college admissions or scholarships in April, May or June, we highly recommend these boot camps. To learn more, please visit [www.testprepseminars.org](http://www.testprepseminars.org) or contact Karen Hibbs, Advanced Academic Specialist, at 817-547-7057.

The normal cost of these boot camps is \$250. However, the Birdville Board of Trustees and staff are very committed to improving student test scores, and, as part of our College Readiness Program, is making these boot camps available at no charge to RHS students. These boot camps will be held during the school day to allow as many students as possible to participate. These seven-hour workshops will be divided into two half-days. Materials include 2 books, 27 practice tests and a strategy book to further complement their learning.

Participation in the boot camps is limited. Secure a spot for your child by returning this letter with your signature to the counselor's office. Your child may attend one of the sessions. Registrations will be accepted on a first-come, first-served basis through March 6, 2014 or until all available spots are filled. Senior students will have priority, and remaining slots will be filled by juniors. Information about each boot camp is provided below.
